

Hmong Mennonite Church  
Westminster, CO

Here are some of the events that occurred this past year:

**Easter:** Every year we celebrate our Easter Sunday at the park; we cook, worship; eat and have the children search for hidden eggs. Sport activities are open all day long on this day for fellowship as well.

**July congregation picnic & baptism:** Our congregation got together and worshiped on this day 07/24/2014 at Union Reservoir, the main reason was for baptism; we welcomed two members who made their decision to live for Jesus Christ. The two members are Shoua Yang and Mary Jane Moua.

**2014 MSMC Annual Conference:** The Colorado Hmong Mennonite collaborated with Glennen Height Mennonite to host and coordinate the conference. The planning was a success, everyone sang in Hmong, English and Spanish. All 15 congregations who joined together that day brought in their own cloth which was later sewed together by the Hmong women ministries, the creative design of the sowing was a cross, bordered with the cloth from the 15 different congregation; representing the conference theme "On Earth As It Is In Heaven".

**Installation Ceremony:** Colorado Hmong Mennonite welcomed our new pastor Chaiya Hadtasunsern to our congregation and celebrated his installation on 09/28/2014. Karen Cox and Annie Browning attend the event providing devotions and Pastoral response to Chaiya. The service ended with an installation prayer and a feast.

**Carols & Prayers:** During Christmas time, the Colorado Hmong Mennonite men and youth ministries all gathered and went to all of the members home, one by one to sing carols, provided verses and prayers for each family. The carols and prayer was a success, the men and youth went out at 6 p.m. and ended at 4 a.m. Although everyone was very tired towards the end, all the carols and prayers provided the men and youth ministries the strength to go on. They are all looking forward for the next year carol and prayer!
